ORRA VISUALIZER

END USER LICENSE AGREEMENT

*Please read carefully before installing or using the software —
including the Photosensitive Seizure Warning in Section 1.*

Orra Audio LLC · 2026

IMPORTANT — READ CAREFULLY. This End User License Agreement ("Agreement") is a legal agreement between you (an individual or a single entity, "you") and **Orra Audio LLC** ("Orra Audio," "we," "us") for the Orra Visualizer software, including the application, bundled factory plugins, presets, templates, documentation, and any updates provided to you (collectively, the "Software").

By downloading, installing, activating, or using the Software, you agree to be bound by this Agreement. If you do not agree, do not install or use the Software.

1. PHOTSENSITIVE SEIZURE WARNING

READ THIS SECTION BEFORE USING THE SOFTWARE.

A very small percentage of people may experience a seizure when exposed to certain visual images, including flashing lights, strobing effects, rapidly changing colors, or high-contrast patterns. **Orra Visualizer is a visual effects application that can generate exactly these kinds of images — rapid flashes, strobes, intense color shifts, and moving high-contrast patterns — and, because its output reacts to audio and to user-created plugins, the intensity and frequency of such effects cannot be predicted in advance.**

Even people who have no history of seizures or epilepsy may have an undiagnosed condition that can cause "photosensitive epileptic seizures" while watching such content.

These seizures may have a variety of symptoms, including lightheadedness, altered vision, eye or face twitching, jerking or shaking of arms or legs, disorientation, confusion, or momentary loss of awareness, and may cause loss of consciousness or convulsions that can lead to injury from falling down or striking nearby objects.

Immediately stop using the Software and consult a physician if you experience any of these symptoms. Parents and supervisors should watch for or ask about the above symptoms in anyone viewing the output — children and teenagers are more likely than adults to experience these seizures.

The risk may be reduced by: using the Software in a well-lit room; sitting farther from the screen; using a smaller screen; avoiding use when drowsy or fatigued; and taking regular breaks.

If you or any of your viewers or audience members have a history of seizures or epilepsy, consult a physician before using the Software or exhibiting its output. If you perform, project, stream, or otherwise exhibit the Software's output to an audience, **you are solely responsible for providing appropriate warnings to that audience** and for complying with any venue, broadcast, or platform requirements regarding flashing imagery.

2. License Grant

Subject to this Agreement and payment of the applicable fee, Orra Audio grants you a personal, limited, non-exclusive, non-transferable, revocable license to install and use the Software on up to **three (3)** macOS devices that you own or control, for your personal or internal business use.

Demo. If you use the free demo, your license is limited to a single evaluation period of fourteen (14) days on one machine, for evaluation purposes only.

Your output is yours. Visual content you create, record, or stream with the Software (including content incorporating the factory plugins and presets) is yours, and you may use it for any lawful purpose, including

commercial purposes, subject to Section 6 (Your Content and Responsibility).

Your plugins are yours. Plugins, presets, and projects that you author are your property. Factory plugins bundled with the Software remain part of the Software and are licensed, not sold, to you; you may use and modify them within the Software, and use their output freely, but you may not redistribute the factory plugins themselves, in original or modified form, except as part of content rendered by the Software.

3. Restrictions

Except as expressly permitted by this Agreement or by applicable law notwithstanding this restriction, you may not, and may not permit others to:

- copy (except for reasonable backup), distribute, sell, rent, lease, sublicense, or transfer the Software or your license key;
- share, publish, or disclose your license key, or use a key you are not authorized to use;
- reverse engineer, decompile, or disassemble the Software, or attempt to derive its source code;
- modify, adapt, or create derivative works of the Software itself (plugins and content you author with the Software's intended authoring tools are yours and are not "derivative works" for this purpose);
- remove or alter any proprietary notices;
- circumvent, disable, or interfere with license validation, activation limits, or the demo period; or
- use the Software to violate any law or any third party's rights.

4. Ownership

The Software is licensed, not sold. Orra Audio and its licensors retain all right, title, and interest in and to the Software, including all intellectual property rights. "Orra," "Orra Audio," "Orra Visualizer," and associated logos are trademarks of Orra Audio LLC.

5. Activation, License Management, and Privacy

The Software requires activation with a license key (or demo enrollment). Activation and periodic license validation communicate with our licensing service and transmit information reasonably necessary for licensing (such as your license key, product and version identifiers, and a machine identifier). A validated license continues to work offline.

The Software's capture features (camera, microphone, screen and system audio) process data **locally on your device** for the purpose of rendering, recording, and streaming your content; the Software does not transmit your captured audio or video to Orra Audio. Where the Software connects to third-party services at your direction (for example, streaming to Twitch or YouTube), your content is transmitted to those services under your accounts and their terms.

6. Your Content and Responsibility

You are solely responsible for the content you capture, display, record, stream, or distribute using the Software, including:

- audio, video, images, text, and screen captures of third-party applications or media;

- ensuring you have all necessary rights, licenses, consents, and permissions for that content (including music licensing for streams, recordings, and public performance); and
- complying with the terms of any platform or venue where you publish or exhibit the output, including their requirements regarding flashing imagery and content warnings (see Section 1).

Orra Audio does not monitor your content and has no responsibility or liability for it.

7. Third-Party Services and Software

The Software can interoperate with third-party applications and services (for example, DAWs, Spotify, Apple Music, Twitch, YouTube, and MIDI hardware). Those products and services belong to their respective owners, are governed by their own terms, and may change or become unavailable at any time. Orra Audio does not control them and is not responsible for them. Third-party names are used for identification only and do not imply endorsement or affiliation.

Plugins, shaders, presets, or other content created by third parties (including content shared within any user community) are not provided by Orra Audio; you install and run them at your own risk.

8. Beta and Pre-Release Versions

If the Software or any feature is designated beta, preview, or pre-release, it is provided for evaluation, **may contain defects, may be unstable, and may cause loss of data or projects**. Back up your work. Beta features may be changed or removed at any time, and any feedback you provide may be used by Orra Audio without restriction or compensation.

9. Updates and Changes

Orra Audio may provide updates, patches, or new versions at its discretion, which may be governed by this Agreement or an updated agreement presented at installation. Orra Audio has no obligation to provide updates or support, and may modify or discontinue the Software at any time.

10. Health, Safety, and High-Risk Use

In addition to Section 1: prolonged use of any screen-based software may cause eye strain, fatigue, or discomfort — take regular breaks. The Software can drive loud audio playback through connected systems; prolonged exposure to high volume can cause hearing damage. Use appropriate levels.

The Software is not designed or licensed for use in any environment where failure could lead to death, personal injury, or severe damage ("high-risk activities"), including medical, life-support, or safety systems.

11. DISCLAIMER OF WARRANTIES

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE SOFTWARE IS PROVIDED "AS IS" AND "AS AVAILABLE," WITH ALL FAULTS AND WITHOUT WARRANTY OF ANY KIND. ORRA AUDIO DISCLAIMS ALL WARRANTIES AND CONDITIONS, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, QUIET ENJOYMENT, ACCURACY, AND NON-INFRINGEMENT. ORRA AUDIO DOES NOT WARRANT THAT THE SOFTWARE WILL BE UNINTERRUPTED, ERROR-FREE, OR FREE OF HARMFUL COMPONENTS, OR THAT ANY DEFECTS WILL BE CORRECTED. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY ORRA AUDIO SHALL CREATE A WARRANTY. SOME

JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, SO SOME OF THE ABOVE EXCLUSIONS MAY NOT APPLY TO YOU.

12. LIMITATION OF LIABILITY

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL ORRA AUDIO LLC, ITS MEMBERS, OFFICERS, EMPLOYEES, CONTRACTORS, OR LICENSORS BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES WHATSOEVER — INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF DATA, PROJECTS, RECORDINGS, OR OTHER CONTENT; LOSS OF PROFITS, REVENUE, OR BUSINESS; BUSINESS INTERRUPTION; DAMAGE TO HARDWARE, EQUIPMENT, OR OTHER PROPERTY; PERSONAL INJURY; FAILED, INTERRUPTED, OR DEFECTIVE PERFORMANCES, STREAMS, OR EVENTS; OR ANY OTHER PECUNIARY OR NON-PECUNIARY LOSS — ARISING OUT OF OR RELATED TO THE USE OF, OR INABILITY TO USE, THE SOFTWARE OR ITS OUTPUT, EVEN IF ORRA AUDIO HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ORRA AUDIO'S TOTAL AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE SOFTWARE SHALL NOT EXCEED THE AMOUNT YOU ACTUALLY PAID FOR THE SOFTWARE LICENSE IN THE TWELVE (12) MONTHS PRECEDING THE CLAIM, OR TEN U.S. DOLLARS (US\$10) IF YOU PAID NOTHING.

SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF CERTAIN DAMAGES, INCLUDING LIABILITY FOR PERSONAL INJURY, SO SOME OF THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU. NOTHING IN THIS AGREEMENT EXCLUDES OR LIMITS LIABILITY THAT CANNOT BE EXCLUDED OR LIMITED UNDER APPLICABLE LAW. THE WARNINGS IN SECTIONS 1 AND 10 ARE A MATERIAL PART OF THE BASIS OF THIS AGREEMENT.

13. Indemnification

You agree to indemnify, defend, and hold harmless Orra Audio LLC and its members, officers, employees, and agents from and against any claims, damages, losses, liabilities, costs, and expenses (including reasonable attorneys' fees) arising out of or related to: (a) your content or your exhibition of the Software's output (including failure to provide audience warnings under Section 1); (b) your violation of this Agreement; or (c) your violation of any law or third-party right.

14. Termination

This Agreement is effective until terminated. It terminates automatically, without notice, if you fail to comply with any of its terms. Orra Audio may also revoke licenses obtained fraudulently or in violation of this Agreement. Upon termination you must cease all use of the Software and destroy all copies. Sections 1, 4, 6, 7, 10–13, and 15–16 survive termination. Termination does not entitle you to a refund except where required by law or by the refund policy stated at purchase.

15. Export and Legal Compliance

You may not use or export the Software in violation of applicable export laws and regulations. You represent that you are not located in an embargoed country and are not on any restricted-party list.

16. General

Governing law. This Agreement is governed by the laws of the State of California, USA, without regard to conflict-of-law principles, and the parties consent to the exclusive jurisdiction of the state and federal courts located in California. (If Orra Audio LLC is organized in a different state, that state's law and courts apply instead.)

Entire agreement. This Agreement is the entire agreement between you and Orra Audio regarding the Software and supersedes all prior communications.

Severability. If any provision is held unenforceable, it will be enforced to the maximum extent permissible and the remainder will remain in full force.

No waiver. Failure to enforce any provision is not a waiver.

Assignment. You may not assign this Agreement; Orra Audio may assign it in connection with a merger, acquisition, or sale of assets.

Changes. Orra Audio may update this Agreement for future versions of the Software; the version presented with the Software you install governs that installation.
